Snow-storms are reported from the Northera and Eastern States, and the atmosphere here promises an early picking of "the old woman's geese."

County Court will meet next Monday. Outside of the settlement with the outgoing Treasurer, there will probably be no unusually important business to be disposed of. T. B. Lowe, Esq., of Des Arc Mill, called

on us Monday. He makes a good brand of flour and the best cornmeal in the State; can knock a double-shuffle sky-high, and Turley, both of Iron county, Mo., by enjoy good conversation. Just now, however, he prefers to not talk politics.

H. C. Freeman, of Alto Pass, Ill., went out last, and returned Friday. He went to make Mrs. Catharina Schmitz, by Frang Dinger, a personal examination of the mine for Justice of the Peace Chicago parties. His report will be favorable for re-opening of the mines. The water will in all probability be immediately pumped out of the mine, with the view of making

a thorough examination of the property. The Cleveland and Thurman Club will meet at the court house next Saturday eyening at 7 o'clock. Very important business will come before the Club, and a full attendance is earnestly desired. Among the other objects of the meeting will be the resolving of the organization into a Tariff and Electoral Reform Club. All persons desiring to aid in these reforms are cordially

citizens of Belleview, on Saturday, December 8th, on the subject of history and dot ernment. He says in a letter to Prof. Vance: by the tax-payers of Missouri. So come and from a scaffold in the polishing mill to-day, stitute is his, and that he is, in a very im "Several of our teachers will come with mean employment, as was looked upon in nasty cut on one of his hands; also sprain- failure. Friends of education generally are and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and one of them may be prepared to describe and the described and th cuss modern methods of teaching English, mudsill but the piling on which all the cities called in pretty shortly, and fixed him up as Belleview a grand success. and Elocution." The foregoing are valuable additions to the Programme, and every Farming is the great, ground industry of the teacher of the county should make a special effort to be present.

When we came over to the office corner Sunday morning we found a rather used-up looking individual closely examining the premises. Our curiosity was aroused, but we remembered that there were two ways you know anybody that has seen one?" No, we hadn't. "Well, me and - and - lated and thankfully acknowledged. had a scrap here last night, and I pulled off my coat the better to get my work in, and and after we got through, behold the garment was gone. Just see the top of my head!" We looked, land there was a twoinch gash in the scalp. "See that eurbing?" Again we looked, and behold, cold gore was had been decapitated there. But the coat was nowhere to be seen, and, after a few ejaculations, the seeker departed, averring through the REGISTER-and we hope to be that he could, with one hand tied behind him and the other crippled, lick not only the two other combatants, but also their connexion even unto the fourth generation.
